RULES AND OTHER INFORMATION:

All tournaments will be five-round Swiss, and all entrants will be expected to play in each round. Players may claim a half-point bye for any one round at the time of entry, rounds 1-4 only. Pairings will be made using Swiss Manager. The default time will be 30 minutes after the start of the round.

Depending on entries, it is hoped to provide a prize of £30 to the highest placed junior player in both the Open and Major sections. No player can win more than one prize.

The ECF Nov. 2024 OTB ratings will be used to determine eligibility for rating-restricted sections, and for pairings and rating prize purposes. Players entering before 1st Nov. 2024 will be moved up a section(s) if their Nov. 2024 rating is above the upper limit for the section they originally entered.

Unrated players must give an indication of their playing strength where possible at the time of entry (e.g. recent congress results). Unrated players will not be eligible for rating prizes unless they provide acceptable evidence of their playing strength. Organisers reserve the right to transfer any entrant from one tournament to another.

Phones are *allowed* in the venue, but *must be switched off during play*. Phones and other electronic devices must not be on one's person while a game is in progress. Anyone wearing an electronic device for medical reasons should inform the arbiters before play.

Smoking is not allowed in the school building or grounds. There is plenty of free car parking on site. It is a condition of entry that players agree that they participate at their own risk.

In all matters the organisers' decision is final. The organisers exercise their right to reduce the prize fund in the event of insufficient entries.

There will be a LIMIT of 200 entries. Players must adhere to COVID regulations in force at the time of the event, and any required by the venue.

The organisers would like to take photographs during the congress for publicity purposes, e.g. for use on its website. If you object to this, please inform the entries secretary in writing or by email before the event.

Parents or guardians are responsible for their children during the tournament. The organisers and helpers are not able to act "in loco parentis" and are not able to take responsibility for any child's actions, or for the actions of anyone else that may affect your child.

RATE OF PLAY

The time each player will have to complete the game will be 1 hour and 30 minutes with a 10-second increment added after each move from move 1.
